

Tune: "Faith of Our Fathers"

1. Save me o God, my confidence
You are my Lord, My good alone;
The saints adorned with excellence,
Are my delight on earth below;
But those who to an idol fly—
Will have their sorrows multiply.

2. I will not lift the sinner up
Nor offering to hide his deeds;
You are my portion and my cup.
You guard my lot, secure my needs;
The lines have fallen pleasantly
You have been ever good to me.

3. I bless the Lord who counsels me,
I learn his will throughout the night;
He will a constant presence be,
I'll not be moved, he's at my right;
My heart is glad, my flesh secure,
His presence is forever sure.

4. Your Holy One will not decay
The path of life you will make known;
You will not leave me in the grave
But fill with joy before your throne;
I will receive your pleasures stored
At your right hand forevermore.
