

Tune: "Majestic Sweetness Sits Enthroned". **Alternative:** "Amazing Grace"

1. God of my righteousness I call; you have relieved distress.
Please let your grace upon me fall; **hear** my unhappiness;
hear my unhappiness.
2. How long will you, o sons of men, turn glory into shame;
and make your lies and worthless ends **your** loved unholy aim;
your loved unholy aim?
3. But know the Lord will sanctify the godly for himself.
And he will hear me when I cry **and** call to him for help;
and call to him for help.
4. Be angry, but no law transgress; in stillness meditate;
and offer gifts of righteousness **as** on the Lord you wait;
as on the Lord you wait.
5. They ask, "Who shows us any good?" May light your face impart.
More than new wine or harvest could—**put** gladness in my heart;
put gladness in my heart.
6. In peace I will lie down and sleep, and know that all is well;
For you, alone, my soul does keep, **in** safety make me dwell;
in safety make me dwell.
